MOVIE SYNOPSISSES

HOW TO TRAIN YOUR DRAGON

Set in the mythical world of burly Vikings and wild dragons, the story centre's around a teenager who lives on the island of Berk, where fighting dragons is a way of life. But when he encounters - and ultimately befriends - an injured dragon, his world is turned upside down.

IRON MAN 2

With the world now aware of his dual life as the armored superhero Iron Man, billionaire inventor Tony Stark (Robert Downey Jr.) faces pressure from the government, the press, and the public to share his technology with the military. Unwilling to let go of his invention, Stark, along with Pepper Potts (Gwyneth Paltrow), and James "Rhodey" Rhodes (Don Cheadle) at his side, must forge new alliances -- and confront powerful enemies.

NANNY MCPHEE & THE BIG BANG

Emma Thompson returns in the role of the magical nanny who appears when she's wanted the least and needed the most. An all-star cast is joined by a tree-climbing piglet and a baby elephant which turns up in the oddest places.

ROBIN HOOD

Following the Crusades, a loyal knight returns to his home to find it run by a tyrannical king. He joins forces with a band of renegades to fight back.

THE LAST SONG

Based on best-selling novelist Nicholas Sparks' ("A Walk to Remember," "The Notebook") latest novel, THE LAST SONG is set in a small Southern beach town where an estranged father (GREG KINNEAR) gets a chance to spend the summer with his reluctant teenaged daughter (MILEY CYRUS), who'd rather be home in New York. He tries to reconnect with her through the only thing they have in common—music—in a story of family, friendship, secrets and salvation, along with first loves and second chances. The film is directed by Julie Anne Robinson from a screenplay by Spars & Jeff Van Wie.

PRINCE OF PERSIA: SANDS OF TIME

Walt Disney Pictures and Jerry Bruckheimer Films present PRINCE OF PERSIA: THE SANDS OF TIME, an epic action-adventure set in the mystical lands of Persia. A rogue prince (JAKE GYLLENHAAL) reluctantly joins forces with a mysterious princess (GEMMA ARTERTON) and together, they race against dark forces to safeguard an ancient dagger capable of releasing the Sands of Time – a gift from the gods that can reverse time and allow its possessor to rule the world.
